

Metamora Hunt 2023 Fall Hunter Pace Results

The Fall Hunter Pace took place on Sunday September 24, 2023, with staggered starts between 9:00 a.m. and 12:30 p.m. The weather was perfect with a temperature right around 70 degrees with a cool breeze and sun.

A huge thank you is owed to our 26 landowners who allowed us to traverse their private property for this event. Without their support, this event and our sport would not endure.

In addition to the landowners there were 24 volunteers who planned the course, secured permission from landowners, trimmed the trails, hung the markers and signs, set up registration and sherry stops, served the riders, caught loose horses, timed the runs, took photographs and made sure that the day ran smoothly. A huge thank you to everyone who had their hand in this success.
