METAMORA HUNT NON-RIDING SUBSCRIPTION APPLICATION 2026-2027

There are many activities that happen behind the scenes each year and which are necessary to the existence of the Metamora Hunt and our sport. If you would like to share your time and talent volunteering to support the non-hunting events and activities of the Hunt throughout the year, we would very much welcome you. This effort is very important to the success and perpetuity of the Hunt and good faith with our landowners. Please indicate below those activities to which you may be interested in giving your time and we will contact you a the need arises.

Hay Harvesting: There are MANY jobs that need to be done when a harvesting window opens. If you are willing to take our call and help by driving a tractor, pulling a wagon, stacking hay or otherwise, please let us know. We would like 2-3 cuttings between May and September. Notice would be about three days in advance. This does not obligate you, only shows your interest and puts you on our call list.
